## TREASURE COAST FOOD BANK

Treasure Coast Food Bank, in Fort Pierce, works with 400+ agencies to feed those in need in Florida's Treasure Coast counties. FCLF financing will help renovate a 9,460 sq-ft facility into a home for the FANC Program, or Florida Agriculture & Nourishment Collaborative. Through FANC, Treasure Coast Food Bank will partner with 100 local farmers to purchase produce that might otherwise spoil; which will be prepared for resale to 100 local schools and donation to 400 local human service agencies; and distributed to 100,000 low-income residents weekly. In addition to an estimated 55 million meals in its first year, the facility will also create jobs, and offer culinary arts and food safety training to long-term unemployed adults.

This project will have multiple layers of social impact: feeding needy

## DEBBIE TURNER CANCER CARE AND RESOURCE CENTER

Those who struggle with cancer may have medical needs met by doctors and hospitals, but many day-to-day needs are overlooked. The Debbie Turner Cancer Care and Resource Center in Apopka was established by cancer survivor Debbie Turner to help meet those needs for families who have nowhere else to turn.

From its beginning in 2009, The Debbie Turner Cancer Care and Resource Center has grown to reach 185 families weekly across 5 counties; in 2016 services reached more than 1200. The Center provides counseling and education, hair stylists, a play place for children, and more. An extensive network of volunteers provides transportation to grocery shopping, pharmacy, and treatments.
