The Florida Community Loan Fund (FCLF) was founded in 1994, made its first loan in 1995, and achieved CDFI certification in 1996. In 2015-16 we celebrate 20 years of community development financing in Florida. As part of this celebration, we introduced a new logo representing what we have achieved in our first 20 years and looking forward to our continued growth.

Through a strategic planning process in 2013, we discovered the value placed in FCLF by our borrowers, investors, board & committee members, and community leaders. These discovery sessions culminated in our 5-year strategic plan, which includes our current vision and mission statement. We took the concepts and values revealed during strategic planning and incorporated them into the 2015 FCLF logo.

The colors the text, and the graphic mark included in the FCLF logo work together to convey the organization’s strength, geographic reach, focus on building communities, and staff expertise... all made possible by our investors, supporters, and the borrowing organizations who allow us to be a part of their success.
